

Claim

1

2 A new and distinct variety of rose plant of the miniature class, substantially as
3 herein illustrated and described as a distinct and novel rose variety due to its
4 abundant pink flowers, attractive long lasting foliage, vigorous and compact
5 growth, year round flowering under glasshouse conditions, suitability for
6 production from softwood cuttings in pots, and durable flowers and foliage
7 which make the variety suitable for distribution in the floral industry.
